

Exploring

Faith...

God invites us into life.

That is a wonderful and challenging and extraordinarily blessed opportunity.

All of us have journeys which go through different times. Sometimes we are simply travelling, or being blown along, or even feeling a bit out of control of the events which continue to shape our lives. And there are times when we recognise a quiet voice inviting us to stop, breathe, think, reflect, learn, go deeper, and gain strength and inspiration and encouragement for our continuing journey.

Where are you at in your journey?

Is this a time to stop and breathe?

Is the invitation from God whispering in your life?

Many adults will have been baptised as infants or children. Yet for most the journey of exploration of Christian faith does not continue in active and alive ways.

Some of us will have received some further instruction or experiences through Sunday Schools, being in Church, Christian Schools or Religious Instruction at State Schools.

Some of us will have known or heard about inspirational people whose faith in God has led them to be people who have touched the lives of others.

Will you take responsibility for YOUR continuing journey?

Confirmation (celebrated along with adult baptism for those who are not yet baptised) is an opportunity to stand up and be counted as a person who believes that God's love embraces and fulfils and sustains us, as revealed in the wonderful good news we find in Jesus Christ.

Is the next step for you to 'confirm' promises made when you were baptised as a child?

Many adults were confirmed as teenagers in the past. This may have been a rich a meaningful celebration at the time. Has the energy and power of this celebration stayed with you, grown and developed as you have continued to learn? Has that experience faded and you would like to re-explore what is at the heart of the Christian faith? Have you come to a new point in your life and you would like to make a fresh start with God, celebrating how much you are loved by God?

Would you like to explore and renew your connection with God?

The church is a rainbow, a kaleidoscope, a mixed and diverse and wonderful combination of difference ... yet at the heart we are all people of God, the Body of Christ. When we find ourselves part of a church community which nourishes and sustains us it is good to celebrate that discovery. For those who have been raised and nurtured before in other parts of the Church and who now find themselves in the Anglican Church we offer an opportunity to be 'Welcomed into the Anglican Communion'.

Are you wanting to become a full member of our Anglican Church?

For adults all of these journeys weave together. Adult commitment to God, exploring Christian Faith as adults, brings us to new horizons in our lives.

You are being invited on a journey.
